

Blood Bank Equipments

NEXT GENERATION CLASS

Nomenclature	Model	General specifications	Image
Blood Storage cabinet	BBR-200	CAP-200 Blood Bag Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
	BBR-400	CAP-400 Blood Bags Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
	BBR-800	CAP-800 Blood Bags Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
Deep Freezer (-80)	DF (-80)/150	Cap. 150 Ltr ,Inner S.S. & Outer galvanized pre painted Sheet, Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
	DF (-80)/300	Cap. 300 Ltr ,Inner S.S. & Outer galvanized pre painted Sheet, Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
	DF (-80)/600	Cap. 600 Ltr ,Inner S.S. & Outer galvanized pre painted Sheet, Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
Deep Freezer (-40)	DF (-40)/400	Cap. 400 Ltr ,Inner S.S. & Outer galvanized pre painted Sheet, Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
	DF (-40)/800	Cap. 800 Ltr ,Inner S.S. & Outer galvanized pre painted Sheet, Digital temperature indicator & Controller, Visible three Weeks independent weekly circular Temp. chart recorder ,Paperless & inkless	
Platelet Agitator cum Incubator	PIA-60	Cap. 60 bag (Inner S.S. & Outer galvanized pre painted Sheet(GPPS), Digital temperature indicator & Controller, Three weeks independent weekly circular temp. Chart recorder ,Paperless& Inkless ,72-75 rpm agitation	
	PIA-120	Cap. 120 bag (Inner S.S. & Outer galvanized pre painted Sheet(GPPS), Digital temperature indicator & Controller, Three weeks independent weekly circular temp. Chart recorder ,Paperless& Inkless ,72-75 rpm agitation	
Tube Sealer	BBTS-53	Bench Top,European Safety Standard, No Warm up Time ,Di electric	

Manufactured by : **Authentic Instruments**

Accessories For Blood Bank Equipments

Nomenclature	Model	General specifications	PICS
Cryo Bath	CR-12	Capacity-12bag; with stand for hanging plasma bags,pid temp 4°C,inner/outer ms	
Plasma Thawing Bath	TH-16	Capacity-16bag; with stand for hanging plasma bags,pid temp 37°C,inner/outer ms Thaw 16 Bag at a time in just 15 Minute only with real agitation process	
Balance for balancing	BB-D	Cap-3 kgs, sensitivity-0.1gm double pan	
Balance for ml	BB	Cap-2 kgs, sensitivity-0.1gm for ml convertor	
Donor couch	DCM	Donor couch : motorized with remote switch - for blood bank	
	DCMC	Donor couch : mechanical- for blood bank and donor bus	
	DCF	Donor couch: folding for donation camps	
Electronic Temperature Chart recorder	<ul style="list-style-type: none"> ➤ Electronically Plotting of Graph ➤ Visible Graph ➤ Three Weeks (Current Week, Previous, Before Previous Week) Stored Data Can see at a time ➤ Weekly circular Recording of temp.
